“ I didn't know Cheyenne but I know his sister Tina and her husband Ron and I wish to send my condolences and will forever keep his family in my prayers. I know he will greatly missed by Tina and the rest of the family. My heart is very heavy for the family and wish them all the peace that Cheyenne now knows. He is no longer in pain and I know that God has healed his body when he decided it was his turn to come home. All my love and paryers.
