“ Momma, I still see your sweet face before me. Your voice I long to hear. I would give anything to pick up the phone and call you. I miss and love you dearly, God knows I wish you were here. Tears fall freely from my eyes like a river, filled with grief My only comfort is that you are not in pain. You've found relief. Momma I miss and love you

“ I loved your mothers disposition so much. She was a very warm and welcoming soul. She Never had a bad word to say about anyone and Always had a smile for me. She definitely earned her wings and has a spot in heaven waiting on her. Rest peacefully Chris.
