“ Grandma I miss you so much. I can’t believe this is so foreal. You were my superwoman at that like a mother to me! Why did you have to leave so soon!!! I remember you saying to me “weeie we’re going to take the boys to Nee York and South Carolina with us” but now I don’t have my travel Buddy no more. Someone to annoy me purposely through text or call you to get on your nerves!!! I remember the day you saw the boys Ty went to you and told you he had to use the bathroom but you didn’t hear him so he came to me instead.
