

Amber Ann Gibson

September 23, 1979 - January 22, 2022

Our beautiful Amber Ann Gibson born September 23, 1979 left us to be with her parents, Brenda (Smith) and David (Tony) Gibson, on Saturday January 22, 2022. Amber is survived by her loving aunts and uncles from the Smith and Gibson families; her step grandmother, Shirley Gibson; many cousins, and friends. Besides her parents she is preceded in death by her grandparents, aunts, and uncles from both families. A cremation has taken place and a memorial service will be held at a later date.

"I Will"

I will walk again in the woods, someday,
beneath the summer sky.

I will walk again by a little creek,
and hear the pine trees sigh.

I will walk again in the summer rain
and enjoy the feel on my skin;
I will walk in the valley and climb the mountain
back to where I have been.

I will go to the places, I've always loved

with those that I've held dear.
I will walk again as I've done before,
but I will not do it here.

“ I remember the day we met each other on October 14, 2011 Beautiful Amber Ann Gibson. There might be individuals in the 11 years we shared together in that time we lost alot and gained it back eventually. You showed me nothing but Love in many ways that I cannot describe or feel ever again from you. Im still can't believe that your gone honestly my Love, Best Friend and Partner, I finally read the 10 page letter you wrote me a few days prior to you going in the Hospital I'll always cherish the precious moments we had and shared and never forget about you ever and keep my promise about taking care of our Nugget Marie it brings tears to my eyes when there's a knock on the door and as she waits looking in the window hopefully to see her mama come home. I'll be releasing a Candle Lantern on May 14 in memory of you and Posting Information on The Celebration of Life Memorial Benefit in Memory of You I'm going for now but not forever . Love Always and Forever, Jeremy Spires
