

Andrew Reb Brush

October 6, 1956 - September 13, 2023

Andy Brush passed away on September 13, 2023, at the age of 66. True to his nature Andy battled his illness with strength, courage, smiles, and his big heart.

He was born in Newark to Robert and Nancy and worked 30+ years with the Dow Chemical Company. He loved Ohio State Football, Harley Davidson, and most of all his family. He never met a person who wasn't a friend, and never had a friend who wasn't like family, because of this he is celebrated and remembered by so many.

Andy is preceded in death by father Robert, and sister Robin. He is survived by his huge family, including wife Tammy, son Adam, daughter Corrine, son-in-law Stephen, grandson Casey, mother Nancy, brothers Barry and Matt, sisters Kathy and Dodie, sister-in-law Kelle, and so many loved nieces and nephews.

No services will be held, but a celebration of Andy's life is planned for a later date. In lieu of flowers or gifts, we ask you to consider making a donation to The James Cancer Center.

Day Funeral Service is honored to serve the family of Andrew Brush.
