“ I so miss you Angie, I love you so much, you taught me so much, I miss our talks, laughs, and plots. You will always be one of the strongest women I have ever known. Watching you love your children so unconditional, I learned that in was a softy when it came to my 2 children, Girl I could go on and on about you, so I will close by saying I will always be here for your children. I love u and I miss u so much. Rest in Heaven My Love. To be absent from the body is to be present with the Lord. GYPSY
