

Annette Uddin

August 6, 1957 - November 25, 2022

Annette (Page) Uddin departed this world on November 25, 2022. She was born on August 6, 1957, to the late Nathaniel and Gloria (Swanson) Page in Welch, West Virginia. Annette graduated from Northfork High School in 1975 and worked as a candy striper at Stevens Clinic Hospital where she discovered her love of nursing. Annette moved to Harrisburg, Pennsylvania where she got her LPN degree while working at Villa Teresa Hospital and she later attended Hocking Technical School of Nursing in Athens, Ohio where she got her RN degree. Annette worked for Grant Hospital where she would meet her best friend, Terri Jones. While attending nursing school Annette would commute back and forth through snow and rain, sleet, and hail to get that degree.

Annette moved to West Palm Beach, Florida, and there she began her service of working as a charge nurse at a local nursing facility in West Palm Beach, Florida for the next twenty plus years. Annette was called upon to do work during the hurricanes that hit Florida and diligently worked in good health and bad health. Annette retired from nursing in 2002.

Annette was a devoted, loving sister and friend. She had a long list of friends, and she gave her all to make sure they were okay. She loved doing work in the church. Annette loved to make birthday cards and ornaments for friends and family. Annette cared for her nieces and nephews as if they were her own

children. Cooking was another passion for Annette. She loved to cook Jamaican food and Indian food was her favorite. Annette was an inspiration to all around her, and she helped so many people-too many to name. Annette loved to travel, laugh, and play jokes on you. Above all, she was a prankster and always had to have the last word.

Annette is preceded in death by her parents, Nathaniel and Gloria Page, Gloria who passed just three months ago. Annette is survived by siblings, Tanya (Roger) Cousins, Ziva Page, Glenda Swanson, and Dollie Mae Swanson Piper; special sister, Mary Beck; nephews, CJ Piper, Andre Piper, Michael Piper, Tristan (Dorothy) Swanson, Rodrick (Rochesia) Woods, Ramel (Heather) Woods; neices, Alia Swanson, Zantasia Page, Arania Page-Greene; great neice, Shatayah Swanson; great nephew, Tairhon Swanson; a host of great nieces and nephews; her friends in West Palm Beach-Brian, Carrie (Tony) Armour; Mr. and Mrs. Armour; and special friends, Charles Dyson and Terri Jones.

Special thanks to Terri Jones, Charles Dyson, Sabrina Thompson, and Tony Armour for being there for Annette. Words cannot express our gratitude for standing by Annette for so many years. “*Condolences and much love to the entire family of Annette. Annette graduated from Northfork High School with me. She was a person who loved the Lord and life. Annette is currently resting in the arms of Jesus waiting for His great return. She left time and went into eternity to live in eternal paradise. Imagine her walking down streets paved with gold. No more sickness, heartache nor pain.*”

“*I will miss you dearly, we were best friends for 41 years, we never said goodbye to each other, it was I will see you later. I know goodbyes are only for those that see with their eyes, but for those who love with their hearts there are no goodbyes. My dearest friend you will always be in my heart.*”

“ *To the family,
It's with love we send this condolence. I'll always remember Annette's love, encouragement and support she showed to everyone she met. From a little girl to us growing up in Wv. She was always sweet. Singing in the choir at church. I remember her shouting around the church. Just loving God!
I'm praying that you'll find peace in this family. We're going to miss her, but no more pain and dealing with illnesses for her. Annette's work has ended on this side, and beginning on the other side anew. No illnesses no pain all of her is completely healed now.
We love you family and we're praying for you always.
Sincere Love.

Annette.I have missed you ages ago when we stopped corresponding and I searched high and low to contact you oblivious that you were hospitalized.Reason for missing you so much was and is because you meant so much to me and I mentioned it to you many times over the years.You are authentic when it comes to love caring and friendship.Yes,I still miss you now that I know you are no longer here in the physical.Sleep on and rest from the cares of this world....Joy Morrison Sembrano
