“ I was blessed to be fred's daughter and having him to help guide me and always be there for me no matter what was more than he had to do and he was happy to have a hand in raising me. He was the best Grandpa to my daughter Makayla and she sure worshiped the ground he walked on! I will cherish our memories and forever miss hearing "hey hunny how are you doing?" I Love you more than most will ever know! Go rest high on that mountain and always look out for us and visit us as often as you can!
