“ Weeg was a no nonsense gal! Loved that about her...she taught me a lot about self respect and a lot more. She made us all laugh, she was silly, she enjoyed life! Tough as nails with a big heart! I'll miss her giggle and her food pushing!!! If you know Weeg, you know what I'm talking about!! Rest pain free Weeg...we will see you again 💖

Weeg was an awesome sister-in-law (more like a sister). What a fun loving gal. At family gatherings we all laughed so much. She got teased so much by the kids for being short. The tall ones would get on their knees to hug her. She certainly was an outdoor gal and loved all the critters. One time she revived a little bird that flew into a window and fell to the ground. She will be missed by all who knew her. We will see her on that glad reunion day. Love from Elda

“ *My funniest memory, her & I were riding our Harley's & came to a stop sign. I looked in my mirror in time to see her fall over . I jumped off my bike & ran to her .I said are you ok. She said yeah, and I asked what happened &, she said " I was singing and forgot to put my foot down".*
