

Bethany Michelle Cress

May 14, 1980 - March 28, 2024

Bethany Michelle Cress (Bryant), 43, passed away on March 27, 2024, at her home in Columbus. She is survived by her husband, Philip Cress; her children, Lilla Morris and Damian Cress; and stepdaughters, Ella and Rylie Cress. She is also survived by her mother, Debra Hanes (Barrowman); stepfather, Bill Hanes; grandmother, Katherine Barrowman; brother, John; and sisters, Jinny and Kristen. As well as a sea of friends and family that she cared deeply for.

Motherhood meant everything to Beth. Her children are what drove her to fight with everything she had and to spend every second she could with them, all the way to the end. She was a dedicated wife and loyal friend who loved baking, singing karaoke, traveling with her family, and standing up against social injustice.

A Celebration of Life will be held shortly, with information being available on Facebook. In lieu of flowers, she would appreciate donations to Camp Kesem (www.kesem.org), a camp for children whose mother have been either diagnosed or died from breast cancer. It is a great source of joy for all the kids. Day Funeral Service is honored to serve the family of Bethany Cress.
