“ *I've known Shane since he was a young boy around 11 or 12 years old. He was an amazing friend and like a little brother to me. I will miss him alot. I had just recently spoken with him after a very long time of no contact. God bless you Ruth and I'm so very sorry for another great loss of a child. I can't imagine your pain. You are an amazing woman of great faith*

“ *Shane will be very much missed by me. When you know someone as long as we did each other (met in the 7th grade) intend to go through ups and downs, but this right here is in the top three hardest things I've ever had to go through in life. Shame helped build my cabin I had in Waverly he always worked on my car for me never asked for nothing in return I only wished I could have done as much for him as he did me.*
