“ We are so sorry to hear of Brenda’s passing. She was such a sweet lady. We enjoyed visiting with her and Barb. She always had a beautiful smile for us, even in the midst of her struggles. Her faith was strong. She is now with the Lord. Our prayers for you all.

“ I'm going to miss Aunt Brenda so much! When I was little she knew I didn't want to go to school so she would bring me a cream puff doughnut when she got off work in the mornings to cheer me up. She always use to take me to the movies and to church. She was so beautiful and I'm blessed for all of the time I had with her

“ Brenda & I were looking around her room one day and she told me that her favorite drawing from her great nieces on her wall was the elephants walking away. I agreed with her because who thinks to draw something like that so as I walked out of her room everyday I would always walk a little funny so it would bring a smile to her face! I just love how happy she was and her positive attitude ❤️ I will miss her dearly. Her family will be in my prayers

I will always remember Brenda's bubbly personality and big smile. I used to bowl with her and she always made it so much fun! Rita was in my class in school and Don worked with my husband for the State. Such a wonderful family. I am deeply saddened to hear of another family members passing. Prayers and my deepest sympathy.

“ I have a lot of great memories with Brenda. I think my favorite is one of the times we went to Bellefontaine for a ladies retreat. It was only Friday night to Saturday afternoon, but we laughed the entire time we were gone, even (maybe especially) when we got lost trying to get there. She was a wonderful, fun-loving lady. She will be greatly missed.
