“ We had a celebration of life ceremony may 29, 2026 for Brian and our brother Joe Lang. It was beautiful and very memorable with so many friends and family. He had a designated memory table with his Navy urn. There were photos and things he loved. The colors at the celebration were black and blue which he loved. Wonderful evening and so much live. Rip Brian. I love you.

“ There are too many memories to list but one of my favorites is all the beautiful letters and postcards I received from Brian around the world when he was in the Navy. He also sent me 2 Greek statues from Athens of Athena and Zeus. I still have them and cherish them. He also had the greatest sense of humor and was very intelligent. I love you Brian.
