

Caleb Allen Chaffin

April 12, 1984 - December 4, 2019

Caleb went home to be with his Lord and Savior after complications from a lifelong battle from diabetes. After graduating from Eastland Career Center, he was employed by Hy-Tek Industries and later RJF Industries. Eventually due to health issues, he became disabled. He met his high school sweetheart Jessica and she ultimately became his wife.

Caleb had a love of music and could play many musical instruments from a God-gifted talent. He was very artistic with his many drawings. He was a very good cook whether from behind a grill or making his own barbecue sauces. He loved spending time with his two children. From camping with his children, fishing with his son, dancing with his daughter, or wining & dining his bride.

He was very spiritual and loved to tell people about the Lord. Caleb had a great ministry sharing the Word of God to everyone he came in contact with and through social media.

Caleb is survived by his wife, Jessica; son, Anthony; daughter, Judah; mother, Vicki (Chaffin) Swanson; father, Dennis Chaffin; brother, Josh Chaffin; and many aunts, uncles, cousins, and loved ones.

I have fought the good fight, I have finished the race, I have kept the faith-2 Timothy 4:7

“ I have know Caleb for several years I know how much he loved our Lord, he was so faithful & trusted God for everything. His postings on his facebook was so powerful He Helped me a few times sharing God's word. I only regret I didn't get to see him in the last few years. My heart goes out to his wife (He never stopped talking about jessie she was & still is the love of his life.) I'm sorry I can't be there tomorrow, I had surgery & still healing. The family is a faithful & loving family that I have been blessed to know. We will see each other again in heaven. God Bless Patty Bartley
