“ *There are so many memories . I watched you grow year after year. You always were able to make people laugh. You had a heart of gold and now god made you an Angel. I loved you as if you were my own. There will forever be a void in my heart. I will carry your memory with me forever. Watch over us. Until I see you again.*

“ I will miss him coming into the store. Seeing his "I'm being rotten" smile as we asked each other if we were going to do anything today. Rest well, CJ, knowing you meant a lot to so many. To Lynn and Carl and the grandkids, may God wrap you in comfort during this time.
