

Carla L. Ramey

October 12, 1959 - April 23, 2020

Carla L. Ramey was born October 12, 1959 and passed on April 23, 2020. She was living with Muscular Dystrophy since her teenage years. She had many illnesses over the years, but she was having heart problems from the dystrophy, and her body just could not go on. She is at peace now and no longer in any pain. She is survived by her son Jason Ramey, his children Hunter, Trevor, and Samuel and her sister Lori Ramey and brother Frederick (Sonny) Ramey Jr. (Sharon), their children Jana Young (Zach), their children Rilen and Layne, and Frederick (Sonny) Ramey III (Abigail).

She is preceded in death by father, Frederick Ray Ramey Jr., mother, Dorothy Louise Ramey, sister, Jacquelyn Ann Immel, and her beloved Dale Gray. Many special cousins, and all of her grandparents as well as many special friends.

Carla was a long time member of the Pythian Sisters organization, in which she went all the way through the chairs and became Grand Chief. She met Dale at one of the conventions and they were together for several years, living in Springfield, Ohio. She moved back to Columbus two years ago, and was able to reconnect with all of her grandchildren. They all called her Nana, and they loved her very much. Due to the COVID-19 restrictions, we were not able to visit her in the rehabilitation facility that she was staying in. However, we were able to go into the facility and spend time with her right before she

passed. Jason and his boys, and Lori were able to go in and see her, touch her, hug her and hold her hands for a very precious 30 minutes. We wish to thank the management at Alter Care in Canal Winchester for allowing that time with her.

There will not be a funeral service for her at this time, but we will have a family gathering at a later time, once the restrictions are lifted for COVID-19.
