“ *The Stapleton Family wishes to give their condolences to Sue's family. She was a wonderful person great mother and grandmother. She always loved to make her grandkids laugh. When she was with them she was like a kid herself, young and free. She was a special person in anyone's life she touched. Her loving smile and laugh in the over 20 years I knew her was one u just don't forget. I can remember some really silly things she did that kept everyone rolling with laughter. She was the apple of the eye to her grandkids Mariah, Tyler and Ashley who enjoyed all the special times with her and especially enjoyed some of their favorite dishes their Mamaw cooked when they went to visit. We will all miss her but her loving grandkids Mariah, Tyler and Ashley will always have cherished memories that will last a lifetime. She will never be forgotten.*

“ *Have not seen any of the Fluty girls and parents since old Sohio days. Our thoughts and prayers are with you. If she had her Mom and Dad's faith and I am sure she did you will all see her again in a better place. God blessed Circleville with the Fluty's for a long time and I have very good memories of all of you.*
