“ Aunt Carol was always a sweetheart. She shared with me a lot about Faulton and Pauline McKeivier and helped with filling in the blanks on the family tree. Her kindness was legendary throughout all the cousins and other aunts and uncles. She was my godmother too. I was lucky enough to visit her on my last trip in Ohio. She was loved by all and will be missed. My heart goes out to the McKeivier clan.

“ Aunt Carol was my godmother; I even lived with the family for a while after my own mother passed away. I have memories of watching late night movies with her (and being scared to go up the stairs after!) and sitting around the kitchen table, just talking, of her brushing my hair; she made me feel welcome. Aunt Carol was friends with my mother, and over the years she has been a great source of information and comfort to me. She is loved and will be missed so much.

“ I have such great memories of my Aunt Carol and Uncle Bernard! We all had such great times back on the old McKeivier chicken farm. My brothers and cousins and I would sometimes work the farm during Summers when we were out of school. Uncle Bernard would work us hard but we would also play hard too! Horseback riding, drive-in movies and lots of pizza! Their love for each other was a love story for the ages!

Aunt Carol was a beautiful soul with a sweet nature. I remember the great days we had at the farm, family reunions and get togethers. Catching crawdads in the creek and playing with Chi Chi the boxer. I'll always hold a special place in my heart for her. You and Uncle Bernie can finally rest in peace together.
