“ My father drew me Smurfette & Papa Smurf with chalk in grand size in the middle of our street, which prompted me to ask him to teach me to draw. He would let me enjoy the album covers of his huge collection as I listened to greats like Pink Floyd, Funkadelic, The Beatles, & more, gifting me with a passion for music that lives in down to his grandkids. I could go on forever, as these are but a few of the fond memories I have of Dad. He loved laughter, classic TV shows, movies, OSU football & campus, working on cars, & being a social butterfly 😊 I love you Dad, I did my best to make my Daddy proud, & am thankful I was blessed to have you as my parent. I relish the day I join you in heaven & will miss you until that day comes 💜 Love Always, Lisa
