

## Christina "Crissy" Rae Barber

October 8, 1983 - July 18, 2021

Christina (Crissy) Rae Barber, 37, of Logan, Ohio, entered the loving arms of Our Lord and Savior on the evening of July 18, 2021.

Crissy was born October 08, 1983 in Sanford, Florida. Crissy was the daughter of Helen Barber and James Barber I.

Crissy will be remembered as an amazing mother to her much-loved children, Nick and Lee. She loved watching them grow up. Crissy called Florida her home for much of her life. She enjoyed sharing with all her tales of boating, beaches, and Florida life. Sand, Fun, and Sun! Crissy returned to Ohio and added hiking, camping, fishing, and butterflies to her hobbies. Crissy was blessed to find the love of her life, Bob, to enjoy her life and make new memories with. Crissy was full of life and had lots of love to give to others. She was always the life of the party and wanted those she knew and loved to be happy too.

Left to cherish her memory are her mother, Helen Barber; her partner, Robert Blackburn; children, Leanna Nut and Nickolas Comfort; and her fur baby, Chieftain; brothers, Thomas Jones and Victor III; aunts and uncles, Raymond and Becky Weirick, Glenda and John Smith, Victor L. Stephens II, Sherry and Byron Britt; many special cousins, nieces, nephews, and great friends. Guiding Crissy on her journey are her father, James Barber I, Brothers Michael Barber, Victor Barber, James Barber, and all those that went before her.

Crissy chose to give the gift of life through organ donation.

We will forever love you and keep you in our hearts.  
Until we meet again.....
