“ *I miss you daddy. Chris Mahan was the best dad in the world. A father, husband, brother, a soldier. He was my protector. He taught me so much. Dad was my best friend, I didn't realize just exactly how much I depended on him till he was gone. He loved life. He was always in a good mood. He's gone but not forgotten. I've always looked up to dad. I can no longer see you with my eyes, but I will feel him in my heart forever.*
