“ I did not know Buddy but I know Missy, Deb & other members of the family. I also knew Mary Dawn. They are wonderful & special people. You will always be seen in the faces of your children & grandchildren. You will always be remembered by your family & friends. Your spirit will always be with them watching over them. Thank you for letting me love your family as if they are my own. May you rest in peace & soar with the eagles.

“ Buddy was a dear friend and a friend of my late husband. He came and checked on me after my husband passed. I also went to school with buddy because he was older than me and I can remember someone was playing the radio and the song I want to hold your hand by the Beatles was playing on the radio and Buddy serenaded me with an outstretched hand. He always manage to bring a smile to my face! You'll truly be missed buddy r.i.p my friend!
