“ Dale loved my mom so much and took care of her after her accident without any complaints. He was such a wonderful person who absolutely adored his cats and always liked to Crack jokes. One of his favorite hobbies was keeping the lawn mowed. Even after he got sickly, we could always count him being on his mower, mowing the lawn. Dale is going to be missed by all of us for a long, long time and things will never be the same without him. We love you Dale!
