“ I'm sorry I didn't come around as much these last few years. We all have families and seem to grow apart. No excuses. I'm just praying you forgive me. I love you uncle Burrhead. Even though u aggravated the crap outta me as a little girl lol. I remember u saying I should let my hair grow out like yours and when I said why- you'd say "cause all us boys look good with a burrhead". I remember arguing that i wasn't a boy lol!! He always loved us kids and our kids and played with us all. Always. I loved you so much. And aunt Shela too. When I say her name in my mind, I can't think of one negative thing. You treated me as your own daughter we need be and tore up my behind when I needed it. I remember walking in the door and seeing the crockpot on the table in the kitchen. The first think she always asked was if I was hungry or she would sneak me MtDew since it would make me hyper and drive mom crazy lol!!! I love her and I love him. It's not loved because it will never end. My heart breaks for their daughters and grand children. May you both rest together with the Lord'nn
