“ I met a kid in 8th grade on the way home from school on the bus. I went to his house and by my surprise his mom was drop dead gorgeous. A day or two later we were at my house and I was telling Josh if I stand on my back wall I can see his mom from there. Just picking on him playfully.

I came over to Josh's house later (same day, different day not sure) and Dan was outside on the swing. He asked me, "Are you looking at my wife? Maybe I can ask her to come out here and lift up her skirt for ya". I was mortified and Josh and Dan couldn't stop laughing. Josh was my best friend for a long time until I lost touch. I am sorry I am just now seeing this and I wish I could have been there for Josh, Sarah and Mom. Love you all.
