“*Darla made the best Buckeye candy! Being a Columbus transplant to the Coastal Carolina area, I never could find great Buckeyes. I met Darla in the local farmer's markets. I would see her every Saturday at the Carolina Beach farmers market to get my Buckeyes and some lovely conversation. She will be sorely missed. My deepest sympathy to her family.*”

I am devastated to hear this news. I worked with Darla at The State Library of Ohio for many years. We were friends for many years. She had a laugh that was contagious and we loved it! She will be missed. And, she did make very good cookies and Buckeyes. R.I.P. My Friend. And my condolences to Ronda and Ryan and their families.

I have just learned of Darla's passing. Darla participated in the Wrightsville Beach Farmers' Market where we enjoyed her wonderful smile and delicious cookies. I manage the market so I enjoyed many conversations with her particularly hearing about her children. I remember going to the Poplar Grove Market with my children and grand children where she happened to be selling her cookies by the hot chocolate stand. We made quite the scene with all the small hands and big hot chocolate cups landing on the floor. Darla was quick to lend a hand, a few towels and words of encouragement as we felt somewhat embarrassed at the scene. I know Darla will be missed and I send my deepest condolences to her family.

Darla made quite an impact on the vendor community in eastern North Carolina. We are all shocked and saddened by the news that she has passed. If there is a service scheduled in the future, please let me know so that I can pass the information on to my fellow vendors. RAWsalsaNC@gmail.com
