“ *You will be missed Uncle Dave. I feel fortunate to have had such a special uncle in my life. I fondly remember laughing with you at Grandma Betty's and Grandpa Pat's. Seeing you and the McCarthy Clan every year for Christmas at Aunt Kathy's was a special tradition. Whether you were teasing your nephews and nieces or giving a family member's new boyfriend or girlfriend a hard time, your kindness and humor were always appreciated. I smile thinking about going down to my uncle's and beloved aunt's house on Empire Drive for a good laugh, a visit with the dogs, or a chance to see the latest legos including the first Death Star! I love you and Aunt Pam and I am so happy to have Amie, Matt, and Andy in my life. Thanks for raising 3 of the best cousins a guy could have and thank you for keeping Grandpa Pat's 1984 Corolla running for Janelle, me, Amie, me again, and whoever else got the chance to drive that resilient vehicle. Rest in peace my cool uncle with the bandanna - love Jason*
