“ Linda, I saw about Dennis in the Free Press Standard and send my condolences to you and the family. My memory is going rabbit hunting with Dennis and his dad and my dad, Wilbur Ritchie. His dad had just got him a new 20 gage Ithaca shot gun and this was Dennis's first hunt with his new gun. I live in Texas now and all the kids are down here. From: Jake Ritchie

“ I am so sorry for this great loss!! He was a wonderful man with an awesome heart and love for his family. Really a love for people in general. I always remember the way his face would light up at the basketball games that Lane would play. RIP to a great man and may his memory forever be alive!!!
