“ I'll never forget all those young years we had so much fun spending time together. We shared our high school days together, met at 14 and even made it as best couple in the senior year book. We went on traveling, camping, enjoying each other and having fun with our friends. We had our son and we shared eternal vows to over another. We ran into some real hard times but even those can't take away all those millions of memories and our beautiful son Damian that we will forever share together. I have and will always love you Derek Michael Binkley. I'll never forget you and I'll miss you forever. All of my love, Amber
