“ *I'm so sorry for your loss of Dontae! So young rest in heaven 🙏❤️!*

I was coming to speak to my mother that passed unexpectedly Feb, 22. 2023!

And I'm still not over it and may never be!

She had just turned 74 Dec 1 !

She had fought many things including breast cancer, Atrial Fibulayion

... and much more!

I cant even imagine losing 😞 him at 39.

Although we lost my little cousin at 20 o.m.g.

I can't recall what he had! But, they said they got rid of it but, burnt his lung up in the process! Again I'm so, soery!
