“ Had i ever any idea that that i was going to receive that gut wrenching call only a mere two days after I was there with you! Brought you some of your favorite goodies had i realized,I would've never left you!  
When I arrived at Saint Ann's, you were like never before \*tears.the Nurses begged me to remove you from full code....Josh came to be with me and he agreed you were really no longer with us! 3 blood pressure medications and still barely registering.  
Then they told me they had pounded all over your chest.with no good results and then you went into Cardiac arrest, totally unbelievable with all the other stuff you'd just went through.not to mention what you'd been through most of your life!  
I'm doing slightly better 😞 but will remain.  
Devastated 💔😞 continuing forward.  
I ❤️ ve and miss you forever and always!

“ Oh, it's me mom.

Gramps has been in Franklin Medical Center  
🙌 I had called , several times but, because im  
not his "Next Of Kin" they'll barely tell me  
anything.

I went there to visit him & oh, terrible, he rolled  
out of the back in a wheelchair ♿ in a hospital gown.

A few weeks later I found out he's in O.S.U.

So, of course, Gigi went & took all my Grands pic's in a plastic  
baggie, to show him, they're NOT DARK! thats what he's was asking  
me.

But, he's withering, no dentures they're in lock up  
somewhere. so, he's basicly only eating when they bring a soft, type  
snack around!

Unbelievably so, so sad.

I'm going to keep trying..... I miss & 😭 love ❤️ you so, so much. I'll  
be back.

💊!! When I got there you were pretty much already gone!  
They had you on a ventilator & wanted to remove it!  
Aww it was horrible 😭 Josh was my only support 😭 & he agreed  
you were no longer here! 😭 I'm so or all you had to endure your  
Entire life! Especially with Gramps & his evil  
There is no way they're going to a peaceful place! And her  
Daughter, Donita! EVIL!  
love you forever and always ❤️!

“ Oh, mom, is me, Geraldine!, pretty much your big not little angel! My biggest mistake was Lex! I just liked being out around people, And feeling safe! I did feel a bit of l.o.v.e. But, definitely to young & no children! I'm sorry for that to you & Jeff! Always know in your ❤️ I will love you forever! & ever. As you, wish things would been better for us, but it was what it was! I will always have a good clean ❤️ will never hurt anyone and specifically 😞 an animal! I love you. The attorneys paralegal told me finally today, Dec\21\2023 I should get an answer in around 3 weeks. Geez I have an ulcer in me esophagus! How much more do they need love you forever! Geri💕💕💕

“ Awww it's me mom! I miss you and love ❤️ you more than you'll ever know! ❤️ I'm so, so 😞 I never imagined you'd pass away at Westerwood! In the beginning I was Trying to blame them.... but, since they may have had a little role in your passing but, you went into septic shock! 🤢 your blood sugar was terribly low & wouldn't come back up! Then, when you arrived at Saint Ann's it was even lower and then you were in cardiac arrest and they had pounded on your chest Multiple times to no avail! Mom you were no longer here so, I had no choice but to allow them to remove life support! Wich nearly killed me! You'd been through enough, to much you were a fighter! Love you soooo much! Until we meet again forever and always ❤️❤️❤️❤️
