“ I loved working with Elnor at South Campus. She was always pleasant and had such compassion for students who really had to overcome obstacles to be successful. The world has lost a beautiful soul. My deepest sympathies to her family.

“ To: Tim, Jerry, Stacey, Paul and family.
I am so saddened to hear of the loss Of Elnor. She was one of the most dynamic people that I have ever known. It is not difficult to understand why you children grew up to be who you are, although I know your father played a part in that also. She was always extremely friendly but I'll always remember that she could throw a wise crack out there when she needed to. That's what I really got a kick out of. You are all in my thoughts and prayers and God bless all of you.
