“ I remember this day like it was just yesterday. While you will be missed by all who came in contact with you, I know that you are finally at peace and reunited with the love of your life, your beloved David. I love you, Mom and will miss all of our times together, good or bad. It's time to step off the ferris wheel and put you ticket to ride away. Rest easy and know that I will continue to look after the girls, like I promised.
