“ George was our very wonderful neighbor on Loudon Street for many years. We enjoyed chatting at the mailbox or while doing yard work. George painted many, many signs for our family, but the most special thing he painted for us was our son's bedroom wall when he was 4 years old. He wanted an orange bulldozer on his wall. George did not bat an eye. He found Kubota Orange paint and painted a very animated bulldozer on Thomas' wall. Thomas is seventeen now and his room has changed a lot - except for the bulldozer. Rest in peace, neighbor. We will never forget you.
