“ I loved your dad. I felt like he made an effort to be even kinder to me after my dad? Like he wanted to check on me. Love you guys.

“ These last couple weeks have broken my heart. I'm so sorry for your loss. Ever since I first heard you were moving, I've had the chance to remember all the fun times I had at your house on Greentree Lane. Some of my earliest memories were there. I told Gilbert at your going away party how he was like an uncle to me, always smiling. No matter what antics we were up to.
