“ I am so sorry for your loss.I met Glen when he was 8 years old and him and his brother Frinnie used to hang out and spend time with their brother Bill and me off and on over the years while I was married to their brother .I got to know Glenn again years later when we would run into each other almost everyday picking up our grandkids from Amanda Clearcreek about 4 years ago and we would pass time while waiting on our grandkids getting to know each other again . I always enjoyed talking with Glenn and seeing him in various places around Lancaster these last few years.He was a good brother in law and friend May God Bless all of you he leaves behind.I know he will be missed..Joann Chaffins
