“ A great friend and neighbor who took my Jamie and all their friends into her home and took care of them all. She like to go camping and, loved to cook she always would always send us over some of her delicious texas sheet cake. She will be missed but she not in pain any more. Our prayers are with you brother Roy, Jamie, Dave, Mike, Jake and Bryan.

“ Our family and Jalene's family go clear back to when my mom and Jean went to school together. The last time I saw Jalene was at Fern Deal's funeral but Jean always kept Mom up with what was happening down in Columbus. I was sad to hear of her passing but glad that she was no longer in pain. My condolences to all the family and friends. I'll never forget that smile and pray that someday we'll meet again.

“ There are so many memories I have growing up next door to the family. I always thought of Jalene as another mother and never thought twice about her home being my home. From getting up on a Sunday morning and knowing she had cooked enough food to feed an army to going on camping trips to the lake with her and Jamie and all of the adventures in between, she was part of my childhood that I will never forget. She was an amazing mother, wife, grand mother and friend and I will miss her terribly. Thinking and praying for Roy, Jamie and the family in their time of grief.

“ I've known Jalene since I was 11 years old. Kind, down-to-earth, funny, engaging, witty, and genuine. That's the Jalene I remember. She was a no nonsense parent that all of us neighborhood kids lovingly called; 'mom.' She always seemed to know what shenanigans us kids were up to somehow, and she always listened and gave advice when we needed it. As I grew up, I had the honor of getting to know her as more of a friend. I regretfully lost touch with her years ago. That was truly my loss. Mom, you will be missed.

CMEO, I really love this, thank you so much. When we were growing up, you were the son she never planned for, just like your mom and dad and whole family took me in from the time we met! Now they are all looking down on us, so we really better watch what we do. Except for "Ran", he would still be encouraging us to have as much fun as we could and get in as much trouble as possible because life's definitely too short. Love you and your family from the bottom of my heart.
