“ Harold Junior., my cousin, my friend, my big brother. Words cannot express how much junior or J.R. as I called him when I was no longer a child improved my life. When I was a child I was the littlest of all the children in the family but JR always looked out for me. It was like having the Jolly Green Giant for a big brother. As a young teen I did not have the guidance of a father around but JR taught me many things about life and how to live it. Some of the best memories I have from being a teen was visiting JR on the weekends, listening to his awesome stereo system and playing board games. Before I was old enough to drive I spent a lot of time walking between my house near Gahanna Lincoln and his parents' house. Anytime JR would see me walking he would always stop and ask if I needed a ride. JR was truly a caring person all through his life. Rest in peace big brother, you will never be forgotten.

“ My brother was the love of my life. He was a man that stood tall and was very proud. He always knew what he wanted in life and went for it. Not a day went by that he never didn't call me, some days 3 times a day, to just make sure I was doing fine. He would always called me every morning waiting for Target to open. We mostly talked about the weather, his hot wheel fines that day and yard work. With Cooper, Kim and Jr dog barking in the back ground, it was music to my ears. It was so cute to hear him talk to his dogs. I miss you brother, love you.

“ So sorry to hear of Harolds' passing. It was just this past August that he came to my Mothers calling hours and he looked great. I will miss him as he was one of my first friends that I ran around with when we moved back to Gahanna. He gave me a place to live when I became divorced and I will always be in his debt. God Bless to a soul gone soon!
