

India Shade Locke

February 17, 1988 - January 7, 2022

India Shade Locke, the firstborn of Gregory and Deborah Locke, was born on February 17, 1988 in Columbus Ohio, and passed away on January 7, 2022.

India graduated from Northland High School (Columbus, Ohio) in 2006 and went on to receive technical training in the field of medical billing and coding.

The most important date in India's life was July 9, 2006, the day on which she symbolized her life in dedication to her Heavenly Father, Jehovah God. India was a member of the East Linden Congregation of Jehovah's Witnesses in Columbus, Ohio.

India is survived by her mother, Deborah Locke; father, Gregory Locke; sister, Asia Locke; nephew, Loveandre Jermaine Can Jr.; niece, Aalydiah Ella Diana Locke; and a bountiful host of family and friends. India was preceded in death by her grandparents, Roger and Ella Haynes; aunt, Diana Calhoun; and uncles, Alvin Holder, Eddie Lee Hutchinson, and Roger Haynes Jr.

India will always be remembered as a loving and kind person who utterly refused to allow the physical pain and suffering she endured to diminish her inner joy and peace. Despite the unforgiving health challenges she faced for the majority of her life, India could always be counted on to radiate happiness and encouragement to everyone around her. India did not focus on herself

and her obstacles. Rather, she channeled her energy and efforts to be a source of support and care for others. For these precious qualities, India was endearing, and will be deeply and sadly missed.
