“ Me and Jimmy were close as kids, our famiy would go to grandmas like 4 times a year. Always looked forward seeing him. We would go out in the woods by the house looking for trouble, snooping threw grandpa's stuff. We were always in trouble. Have not seen him in years, we had been talking last year or so and he was talking about coming up to visit. Just wish we could have made it happen. Love all you guys and sorry for your loss.
