“ Jayne and I have been friends since Junior High. Since High School it's been long distance with occasional get togethers when I'm in Columbus visiting my daughter. Recently, since she's been in Assisted Living, we've had long phone chats reminiscing and sharing life in spite of the COVID limitations.

I have always appreciated Jayne's unique sense of humor and interesting ways of expressing herself.

I'll miss our fun chats and girl time for "catching up".

My sincere sympathy and prayers for each of her children and grandchildren and great grandchildren. She has left a heritage of love!
