“ So very sorry for the loss of Jeff; his struggles over & cancer free! I pray for his family & friends that God comforts you during this time. Have known Jeff my entire life, went to school together starting at west school. We played dodge ball, was always opposite teams & he aimed for & nailed me every time. Think I have life time bruises from his hits 😊 Still don't like that game. Jeff did a favor for me 31 years ago that helped me to marry my husband of 30 years. Will never forget you Jeff
