“ *I was lucky to connect with Jeremy a few years back. We were good friends at Bishop Flaget many years ago. I haven't seen him since the 3rd or 4th grade. He was a great friend who I can still remember how much we laughed, caused mischief as young guys do, and the fun we had. I also recall he had 7 or so middle names... Jeremy Gordon Lamport E Dixon.. that's all I remember but I know there was more :-). It was a shock to find out of his passing. A great man gone to soon, but was called to a higher service. To all his immediate family, I wish you peace at this time, and smiles of remembrance of the man you knew. Best, Scott Goshorn*

“*Jeremy, it's hard to say goodbye to such a good friend, but I will give it my best shot. I will always remember how much fun we had during our numerous adventures. I hope that for as long as I live, I never forget the sound of your laugh as we entertained each other. I can only hope you knew just how many people enjoyed your company, and how much you will be missed. I am thankful I was able to have you as a friend, and I look forward to the day we get to speak to each other again. I love you brother! Forever your friend.*
