“ My son and I met John, his wife Carolyn in the spring of 2018, when we moved into their neighborhood. We were walking our Beagle Mya, John was on his lawnmower. He stopped and have Mya so much attention, his wife Carolyn gave Mya some water. So, for the three years we lived there, when we were walking Mya, or just walking by ourselves, John was sitting out on the porch, he always had a smile, he always said HI, if Mya was with us, she knew that she was going to get lots of loves from John, and Carolyn. Heaven is a lot brighter with John's Beautiful Smile, another Angel has his Wings. John will truly be missed
Love, Prayers to his wife Carolyn, his Daughter and his Granddaughters that he absolutely loved and adore.
