“ *The family wishes to extend our apologies; we regret that we will NOT be gathering following the service. Due to the current COVID-19 restriction of public gatherings, we will be postponing this event.*

Sometime after the restrictions of public gatherings is lifted, we will gather for a picnic that will include many of Dads' favorite foods :) This will be announced in an updated obituary that will run in the Lancaster Eagle-Gazette, and will be shared on family member Facebook pages.

We thank you for your understanding.

So sorry for your loss, and that it came at a time when it is impossible to follow the normal process. It has been almost nine years since our dad died. We would very much like to be a part of any service you are able to have in the future. Many years to catch up on. Jan (Doner) Stein

“ We will miss John at our meetings, trips and picnics. His corn hole skills at our picnics made him a good partner to have.

The Military Veterans of Olivedale will purchase a flag in his honor, that will be displayed every year in the "Field Of Heroes" at the Freedom's Never Free ceremonies held at the Fairfield County Fairgrounds in the fall.
