

## John Brandon Roberts

November 10, 1972 - May 9, 2026

John Brandon Roberts, known to family and friends as Brandon, passed away on May 9, 2026, surrounded by the love of family and the memories he created with those closest to him.

Brandon was known for his kind heart, unique personality, and deep passion for the things he loved most in life. A proud nerd at heart, he found joy in gaming, fantasy worlds, and especially Dungeons & Dragons, where his imagination and creativity could truly shine. Whether he was adventuring through campaigns, talking about his favorite games, or sharing laughs with loved ones, Brandon had a way of making every moment memorable.

Above all else, Brandon loved his family deeply. He was a loving brother, cherished his nieces, Kayla and Alexis Roberts, and shared a special bond with them that will never be forgotten. He also leaves behind his loving sister-in-law, Marie Roberts, along with many friends and family members who will continue to carry his memory in their hearts.

Brandon's humor, loyalty, and gentle spirit will be missed more than words can express, but the love he gave and the memories he created will live on forever.

Day Funeral Service is honored to serve the family of John Roberts.
