“ Growing up with Joe David, I remember him as a hard worker at the Broadmoor Market and as personable with all whom he came to know. He was my cousin. As children, we played together in the basement of his parents' home during holiday gatherings. He laughed a lot!

“ Jackie my prayers are with you and your family. I remember when Joe David was with us while his parents were in Fla. Connels delivered flowers for his prom. I had Lucia in playpin out front of apt and the delivery guy went to bend day to say something to Lucia and our dog Lucky bit him on the butt. When Joe David got home I told him. You would not believe how much he laughed. He had that Joe Lombardo laugh. He will be missed and thought of fondly. God Bless you.
