“ Joey I miss you so much. I know that you are not in pain anymore and that gives me comfort. My days were filled with caring for you in these last few years and now I feel lost. I know it was so hard for you being in pain all the time and nobody would listen. Maybe if they had you would still be here. I miss you and love you. I promise to watch over our son and our granddaughter until the end of my days when I know I will see you again. I love you Joey.
