

Joshua Clinton Brown

January 10, 1984 - March 30, 2026

There is less joy in our lives with the passing of Joshua (Josh) Clinton Brown, 42, from Jackson, Ohio. Born January 10, 1984, he was the beloved son of Timothy Clinton Brown of Wellston, Ohio, and Anita Christine and stepfather, Charles Maynard, of Salt Rock, West Virginia. Joshua passed away peacefully at OSU Hospital, March 30, 2026.

Joshua was preceded in death by his sisters, Traci Danielle Brown, and Tiffany Lynn Brown. He was also preceded in death by his grandparents, stepmother, Missy Williams, and several aunts and uncles.

Joshua was a smart, funny, adventurous guy who liked to hunt, fish, and be in nature. He loved to work on old cars, watch old movies, and listen to his music. Joshua was an accomplished Electrician, Welder, and a Journeyman mason at several restoration businesses.

Joshua was surrounded in life by his loved ones including his daughters, Abigail and Emma; nephew, Hunter Brown; sister, Jalee Brown; his loving fiancée, Stefani Crabtree; Tabitha, who he considered a daughter; stepsisters, Timber Leah Lewis and Christina Schneider; stepbrother, Zachary Maynard; his father; mother; and stepfather, Charles; as well as many friends, cousins, aunts and uncles.

A memorial service to celebrate Joshua's life will be planned at a later date. His memory will forever be cherished in the hearts of those who knew him and loved him.

Joshua sent me a YouTube video: "Thought You Should Know" by Morgan Wallen a week before he went to the hospital. It goes: "I thought you should know that all those prayers you thought you wasted on me, must have finally made their way on through".

Day Funeral Service is honored to serve the family of Joshua Brown.

“ So where do I start? Joshua was the best son I could ever ask for. He was a sweet child and a sweet adult who always had a smile for me. He told me everyday that I talked to him, how much he loved me and missed me. Right now my heart is shattered into millions of pieces as can be expected, and wiring this was probably the hardest thing I have ever had to do. I wrote it thru tears, but knowing his obituary was special and from his mommas heart, I can rest and I know he is at peace. No more pain only joyous music for him. I was blessed to have a son like him. He's always in my heart, and thru me is memories will live ion
