“ Jeff and Kids,

I was so sad to hear about Katrina. I worked with Katrina and truly believe she was the nicest person I've ever met! It was clear in our conversations that her family brought her much pride and joy and marrying Jeff made her life complete. I know her leaving this earth was way to early for all of us but I believe God has bigger plans for her and she'll be an angel watching over you very soon. Many blessings to the family and let her memory bring you joy and happiness.
